Sunrise Again - Chords

Gary Spaniola

Bm G A
Can’t get to sleep at night, Toss and turn

Bm G A
Well I’ve been compromised, When will I learn

Bm G A
I wanna shout, I lost out, No dreams for today

Bm G A
I’m in control no more, I’ve got no say

E D/F#
You’re gonna make it hard on me this time

E D/F# - C# - B - A - G - F#
No telling when it will end

E D/F#
Cancel my brain for peace of mind

E A
Sunrise again

The silence is so loud, It’s all I hear.
Daylight creeping in, that’s what I fear.
Another day, another way, just trying to get by.
I try to calm my soul, but I can’t find a reason why.

You’re gonna make it hard on me this time.
No telling when it will end.
Cancel my brain for peace of mind.
Sunrise again

Darkness gave in, to the light
I will surrender, I lost the fight
Another day, another way, just trying to get by
I’m in control, no, no, I’ve got no say

You’re gonna make it hard on me this time.
No telling when it will end.
Cancel my brain for peace of mind.
Sunrise again.
