

# Soda In A Bottle - Chords

Gary Spaniola

E                    A - B                    E                    A - B7  
Jump back - everything around me - I've seen it all before

E                    A - B                    E                    A - B7  
Lost track - don't know how I got here - time opened up a door

F#mSus9    Bsus  
                 Soda in a bottle

AflatAug5            C#m  
I need some help from Aristotle

A                    B                    E A-B  
Please don't wake me from my dream

Song plays  
On the clock radio  
Twist n Shout I know

Moon shot  
Picture on a magazine  
We touched the moon with Apollo

Soda in a bottle  
I need some help from Aristotle  
Please don't wake me from my dream

Gotta find  
All my old friends again  
Gonna live out yesterday

Detroit  
Woodward and a GTO  
Turn it into a raceway

Soda in a bottle  
I need some help from Aristotle  
Please don't wake me from my dream
